You agree that each time you make a purchase of goods or services from Contractor/Retailer, you are borrowing credit from us and that Contractor/Retailer will charge you interest on the amount you borrow. You agree to pay Contractor/Retailer directly on your behalf. At the end of the payment period, you no longer will be permitted to make new purchases. You agree not to make purchases in excess of the Amount Financed shown above, but if you do agree that we may, in our sole discretion, increase the Amount Financed to include such excess amount in a final Truth in Lending Disclosure that reflects such increased Amount Financed and resulting increased Finance Charge and Total of Payments. The dated electronic record of such excess purchase(s) will evidence your acceptance of any such increased terms. We will total the purchases you made during the payment period and provide you with an updated (final) Truth in Lending Disclosure that will show the total purchase you made, including any adjustments in scheduled repayments to reflect your final Amount Financed and resulting increased Finance Charge and Total of Payments. The updated electronic record of such excess purchase(s) will evidence your acceptance of any such increased terms.

2. Promise to Pay. For value received, you agree to pay us the full Amount Financed shown on the front page of this Agreement, as the same may be adjusted in accordance with this Agreement, which is called the “principal,” plus interest at a non-promotional annual rate of 4.30% on the unpaid principal balance outstanding for the time outstanding until paid (using actual days elapsed based upon a 365-day year) and any applicable taxes or charges. The actual amount of interest that you may pay may exceed the finance charges shown on the Truth in Lending Disclosure if you make payments later than their scheduled dates or in less than the scheduled amounts. If you do not make required payments during the Promotional Period, then, effective immediately, (i) any promotional rate will expire, (ii) interest will thereafter accrue at the non-promotional rate above, (iii) your purchase window will close and (iv) no new purchases will be permitted.

3. Timing and Application of Payments. You agree to make payments in accordance with the payment schedule contained in the Truth in Lending Disclosure on the preceding page (or any updated disclosure). Subject to applicable law, we may apply payments to the amounts you owe under this Agreement in any order we choose. You may not tell us how to apply payments.

4. Payment Method and Address. Unless automatic payments are authorized in connection with this loan, you will make payments by mailing a check or money order to P.O. Box 933614, Atlanta, GA 31393-3614, by making a phone payment by dialing 1-877-476-3860 or internet payment at www.thdloan.com (click “Make a Payment”). You may make additional payments without penalty. You agree not to send us partial payments mailed (including returned mail) or postmarked, unless you have arranged for automatic payments. If you send such a payment, we may accept it without losing any of our rights under this Agreement. All written communications concerning disputed amounts, including any check or other payment instrument that is postdated and accompanied by adequate notice, indicates that the payment constitutes “payment in full” of the amount owed, or is tendered with other conditions or limitations or (iv) is otherwise tendered as full satisfaction of a disputed amount, must be marked for special handling and mailed or delivered to us at 1797 Northeast Expressway, Suite 100, Atlanta, GA 30329, Attention: Disputes.

5. Late Charge and Returned Check Charge. A loan which has unpaid principal, interest, late charge, returned payment charges or any other fees or charges at the end of the term will not be regarded as “paid in full.”

6. Card. We will provide you with a Temporary Shopping Pass and/or Project Loan Card which you may use to make purchases of goods or services from Contractor/Retailer for a limited time. Use of your Card or Loan to make a purchase constitutes your acceptance of the terms of this Agreement. You agree to notify us immediately if your card is lost, stolen or otherwise compromised.

7. Returned Payment Charge. If your payment (in loans, payment by check) is dishonored or returned for any reason, you agree to pay us a Returned Payment Charge of $20.

8. Late Charge. If we receive any part of a payment after the payment’s due date, you agree to pay us a late charge of $30 (except in Iowa, $15).

9. Default. Subject to applicable law, you will be in default if any of the following events occur: (i) you have made any false or misleading statements in your application for the loan subject to this Agreement or any other loan that you may have with us; (ii) you fail to make a payment when it is due under this Agreement or any other loan that you may have with us; (iii) you fail to comply fully with any term or condition of this Agreement or any other loan agreement that you may have with us; (iv) you file or someone else files against you a petition in bankruptcy, (v) you die.

10. Remedies on Default. If you are in default, we will have all of the rights and remedies available to us at law or in equity, in addition to the specific rights and remedies set forth in this Agreement. We may exercise any, some or all of our remedies and remedies; in our sole discretion. If you are in default, we may, at our option, require you to pay immediately the entire amount you owe under this Agreement, in full. We may do this without giving you any advance notice, unless otherwise required by applicable law. Unless prohibited by applicable law, you agree to pay our reasonable costs and attorneys’ fees related to the collection of your loan.

11. Credit Inquiries and Loan Information. You authorize us to obtain a credit report on you for any legal purpose in connection with this loan, including any update, extension of credit, review, or collection of this loan. If you request, we will tell you whether any credit report was requested, and if so, the name and address of the credit bureau furnishing the report.

12. Inaccurate Information. If you believe that we have information about you that is inaccurate or that we have reported or may report inaccurate information about you to a credit bureau, please notify us of the specific information that you believe is inaccurate by writing to us at 1797 Northeast Expressway, Suite 100, Atlanta, GA 30329, Attention: Disputes. If any information is updated and we will tell you why we believe it is incorrect. If you request a copy of the credit report that includes the inaccurate information, please send a copy of that report to us as well.

13. Negative Information Reporting. Late payments, missed payments, or other defaults on your loan may be reflected in your credit report.

14. Assignment. This Agreement may be sold at our discretion.

15. Governing Law. 16. Joint and Several Liability. Each Borrower signing this Agreement will be liable individually and together for all obligations under this Agreement, including payment to us of the entire amount owed under this Agreement.

17. No Waiver By Us. We will not be deemed to have waived any of our rights by delaying the enforcement of any of our rights. If we waive any of our rights in writing on one occasion, that waiver does not constitute a waiver by us of our rights on any future occasion.

18. Telephone Monitoring and Recording. You agree that we may select phone calls for monitoring and/or recording to ensure that you receive quality service and for training purposes.

19. Communicating With You; Consent to Contact by Electronic and Other Means. You agree that we may contact you by phone, email, mail, and any other means. EACH BORROWER SHOULD RETAIN A COPY FOR THEIR RECORDS.

23. ARBITRATION PROVISION Agreement to Arbitrate Disputes:

This Arbitration Provision sets forth the circumstances and procedures under which claims (defined below) that arise between you and us will be resolved through binding arbitration. This means that, unless you opt out of this Arbitration Provision (as provided below) neither you nor we will have the right to initiate a class or group action in court, to serve as a private attorney general, or to join or participate in a class action or any other representative action that seeks claims on behalf of others.

Nothing in this provision precludes you from filing and pursuing your individual claim in small claims court in your state or municipality, so long as that claim is pending only in that court.

Definitions:

As used in this Arbitration Provision, the term “claim” means and includes any claim, dispute or controversy of every kind and nature, whether based in law or equity, between you and us arising from or relating to your Home Depot Project Loan Agreement as well as the relationship resulting from such Agreement, including the terms of the Agreement and the scope of this Arbitration Provision or the Agreement. “Claim” also includes claims by or against any third party providing any product, service or benefit in connection with the Agreement (including, but not limited to, debtors and creditors of all of their employees, agents, directors and representatives) if and only if, such third party would be a party to a lawsuit in which you (as a claimant or in any individual capacity) would have standing to bring the claim.

Initiation of Arbitration Proceeding / Selection of Administrator:

Any Claim will be resolved, upon the election of you or us, by arbitration pursuant to this Arbitration Provision and the code of procedures of the national arbitration organization to which the Claim is referred in effect at the time the Claim is filed (the “Code”), except to the extent the Code conflicts with the Agreement. Claims must be referred to either JAMS or The American Arbitration Association (“AAA”), as selected by the party electing to use arbitration. If a selection by you of either of these organizations is unacceptable to you, you will have the right within 30 days after you receive notice of our election to select the other organization listed to serve as arbitration administrator. For a copy of the procedures, to file a claim or for other information about these organizations, contact (1) JAMS at 1920 Main Street, Suite 300, Irvine, CA 92614 (www.jamsadr.com) or (2) AAA at 335 Madison Avenue, New York, NY 10017, www.adr.org. In addition to the arbitration organizations listed above, Claims may be referred to any other arbitration organization that is mutually agreeable in writing by you and us, or to an arbitrator organization or arbitrator(s) appointed pursuant to Section 5 of the Federal Arbitration Act, 9 U.S.C. §§ 1-16, provided that any such arbitration organization and arbitrator(s) will enforce the terms of the restrictions set forth below.

Class Action Waiver and Other Restrictions:

Class Action will proceed solely on an individual basis without the right for any Claims to be arbitrated on a class action basis or on bases involving claims brought in a purported representative capacity on behalf of others. The arbitrator’s authority to resolve and make written awards is limited to Claims between you and us alone. Claims may not be joined or consolidated unless agreed to in writing by all parties. No arbitration award or decision will have a preclusive effect as to issues or claims in any dispute with anyone who is not a named party to the arbitration. Notwithstanding any other provision in these terms and conditions and without waiving either party’s right of appeal, if any portion of this “Class Action Waiver and Other Restrictions” provision is deemed invalid or unenforceable, then the entire Arbitration Provision (other than this sentence) will not apply.

Arbitration Procedures:

This Arbitration Provision is made pursuant to a transaction involving interstate commerce, and will be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16, as it may be amended (“AAA”), and the applicable Code. The arbitrator will apply applicable substantive law consistent with the AAA and applicable statutes of limitations and will honor claims of privilege recognized by Federal or state rules of civil procedure or evidence, but will not apply

Written requests to expand the scope of discovery rest within the arbitrator’s sole discretion and will be determined pursuant to the applicable Code. The arbitrator will take reasonable steps to preserve the privacy of individual, and of business matters. Judgment upon the written arbitrator award may be entered in any court having jurisdiction. Subject to the right of appeal under the AAA, the arbitrator’s written decision will be final and binding unless you or we take an appeal from the award by making a dated, written request to the arbitration organization within 30 days from the date of entry of the written arbitrator award. A three-arbitrator panel administered by the same arbitration organization will consider anew any aspect of the award objected to by the appellant, conduct an arbitration pursuant to its Code and issue its decision within 120 days of the appellant’s written notice. The panel’s majority vote decision will be final and binding.

Location of Arbitration / Payment of Fees:

The arbitration will take place in the federal judicial district where you live.

If you prevail in whole or in part in arbitration, you shall be reimbursed by us for any filing fee, if any, of the arbitration fees required by the applicable Code, which amount will not exceed the filing fees that you would have incurred if the Claim had been brought in the appropriate state or federal court closest to your residence. We will pay the remainder of any arbitration fees. At your request, we will consider in good faith making a temporary advance of all or part of your share of the arbitration fees. Waivers also may be available from the JAMS or AAA.

Opt-Out:

This Arbitration provision will survive termination of the Agreement, as well as voluntary payment in full of your account, any debit collection proceeding by or between you and us, and any bankruptcy by you or us. If any portion of this Arbitration Provision, except the “Class Action Waiver and Other Restrictions” provision above, is deemed invalid or unenforceable for any reason, it will not invalidate the remaining portions of this Arbitration Provision or the Agreement, each of which will be enforceable regardless of such invalidity.

Opt-Out Process:

You may choose to opt out of and not be subject to this Arbitration Provision only by following the process set forth below. If you do not wish to be subject to this Arbitration Provision, then you must notify us in writing within forty-five (45) calendar days of the date of the Agreement at the following address: 1757 Northeast Expressway, Suite 100, Atlanta, GA 30329. Attention: Opt Out. Your written notice must include your name, address, social security number, the date of the Agreement, and a statement that you wish to opt out of this Arbitration Provision. Your notice to opt out will only terminate this particular Agreement with us and not to subsequent or previous agreements.
